

SS 6034

5' (59 3/4" x 33 3/4")

Smooth Wall Shower Stall With End Drain

Introduced in 2008, this stall is setting a new standard in showering luxury. The SS6034 is an impressive 78" tall with end drain, integral grab bar and a seat. Available in either a left or right hand drain. Plenty of shelf room with soap dish and four separate shelves. It will fit into a space originally designed for a tub with walls making this stall a perfect fit for the ensuite. Large shower stall can accommodate one or two people.

Standard Features Include:

- Naturally non-skid floor
- Easy to clean glossy surface with low maintenance
- Built in shelving and seat
- No tile or grout lines to maintain
- Available in left or right hand drain
- Recessed flanges to accommodate most finishing materials

Crafted of high gloss gelcoat and re-enforced with fibreglass, this is a design that is sure to please. All of our gelcoat products are built to strict specifications ensuring the highest quality for the best price. Say goodbye to silicone and leaky grout lines forever when you opt for a one piece shower stall or tub and wall with the Glass World name brand.

Glass World's products are manufactured and factory tested to meet the highest standards of quality, craftsmanship and performance. The gelcoat finish and hydro massage systems are all warranted for a period of one year.

Approved for Canada and the United States. All products are approved and certified to CSA Standards by Warnock Hearsy. Tested to CSA B45.0 & CSA B45.5.
